

MIROSLAV  
SANDANUS

EARTH, WIND & FIRE

Miroslav Sandanus' creative program focuses on urgent social and environmental themes, reflects on the escalating ecological crisis caused by man's doing and its negative effect on the natural environment, nature, landscape and the whole planet. He critically emphasises its alarming state and continually growing issues that cause climate changes and global warming.

Nitra Gallery and the artist invite you to the exhibition *Earth, Wind & Fire*.
